Possible Action/Discussion

Read Lady of Angels Letter

Mr. Bueno read letter from Lady of Angels into the record and stated a member from the committee will be present for the procession.

Lagoa Delegation Proposal Update

Mr. Bueno states correspondence from Lagoa City Hall about confirmation whether a delegation from the City of Lagoa will come to Fairhaven.

Ms. Powers suggested since the event is still far away, the delegation may still make an appearance.

Mr. Bueno agreed and stated the committee will still plan like they will be present in Fairhaven.

Brainstorm Itinerary Ideas to Showcase Photographs

Ms. Powers states that there still is time to plan in case a delegation decides to come as well as the photographs. She also asks if they should be a single display for these photographs? All together or traveling from place to place?

Ms. Powers suggests photographs would need to be general space, how many? Would photographs be framed? What size? Information is needed to know about what type of display we would need. Once we receive this information, we can then determine space.

Ms. Carvalho agrees with Ms. Powers statements as well as raises additional questions about if they will supply a map of the City of Lagoa and identify places from their home country.

Ms. Powers asks for Town Curator Mark Badwey to come to our next meeting to determine potential spaces to showcase photographs.

Ms. Carvalho suggests writing a letter to the City of Lagoa delegation and having her translate it to get our questions answered. Members agreed.

Mr. Bueno sums up discussion with identifying sizing of photographs, display space, composition, what message Lagoa is trying to get across the bring photographs to Fairhaven. Once we have that information, to then schedule meeting with Mr. Badwey to determine locations/recommendations from his perspective.

Other Business – Next Meeting?

Mr. Bueno states he will reconfirm timeline for photographs. He recommends meeting on Tuesday, October 12th at 5:30pm at the Town Hall Banquet Room but if that does not work, a coordination of another date and time will occur. Members agreed.

Adjournment

Motion to adjourn made by Ms. Carvalho and seconded by Ms. Powers. Motion passes 3-0-0. Meeting adjourned at 5:47pm.
